Ms. Chase:

Thank you for your discussion of the above-referenced applications earlier today. It is my contention, supported by the attached petitions, cleared deposit checks and "Granted" petition notifications (appl. 128' recv'd 1 notice, while appl. 129' recv'd 2 separate notices), that application 593' was inadvertently NOT sent out a notice of the petition being granted.

I received two slightly different notices for application 129', wherein the signature "Liana Chase" is written differently on the two separate notices for this application. (See attached "Granted" petition notification.

I have attached documents for all three of the above-referenced cases for consistency and context, as all three petitions were filed on the same date of May 8, 2004.

I request that a notice be sent out regarding application 593', at your earliest convenience.

Very truly yours,

**Richard H. Lilley, Jr.**
